

User Acceptance Testing (UAT) Template

Date	02 July 2026
Team ID	
Project Name	House Rent
Maximum Marks	

Project Overview:

Project Name: House Rent

Project Description: House Rent is a web-based platform that connects tenants and landlords through a secure and user-friendly system. It enables users to search rental properties, list properties, schedule property visits, manage bookings, and perform secure authentication with role-based access.

Project Version: [Version 1.0]

Testing Period: [24 June 2026] to [06 July 2026]

Testing Scope:

User Registration

User Login

Role-Based Authentication

Property Search

Property Listing

Property Details View

Property Booking

Wishlist Management

Profile Management

Admin Dashboard

Logout Functionality

Testing Environment:

URL/Location: <http://localhost:5173>

Credentials (if required):

Tenant

- Username: tenant@househunt.com

- Password: password123

Landlord

- Username: landlord@househunt.com
- Password: password123

Admin

- Username: admin@househunt.com
- Password: password123

Test Cases:

Test Cases
